

CUSTOMER SERVICE

National Art Supplies aims to provide every customer with the highest possible standard of service at all times, but despite our best efforts, we are only human. If we do make a mistake please let us know as soon as possible so we can solve the problem to your ultimate satisfaction.

PRODUCT RANGE

National Art Supplies sells approximately 15,000 art and graphic product lines and there are constant additions. Should you require a product not listed, please just contact us as we can either source it for you or tell you where to get it from.

PRODUCT KNOWLEDGE

We pride ourselves on our comprehensive product knowledge. Our close association with many leading teachers and schools has given us in-depth knowledge of subject requirements, the best products to use, and how best to fit these to your budgets. We are always pleased to pass on the knowledge and expertise we have gained over the years to our customers. We ensure you receive the right materials at the right prices.

Please contact us for special pricing on your bulk orders.
